

**Ouachita Society of American Foresters
Forestry Enhancement Award**

1. Funded by one-half of annual receipts for National SAF Foresters Fund.
2. This fund is named the Forestry Enhancement Fund to denote separation from National Foresters Fund and to provide some additional name recognition.
3. Awarded to entities with projects in forestry education.
4. Projects must be in collaboration with Ouachita SAF.
5. Maximum of \$500 per project. Less can be awarded.
6. Up to two projects per year can be funded. No minimum number.
7. Two year maximum time frame for any particular project.
8. Application form must be completed and returned to OSAF Chair by March 1 of each year.
9. Request for projects will be announced at the annual OSAF meeting.
10. Foresters Fund Committee will review and make recommendations. Final decision will be by OSAF Executive Committee.
11. Publicity of the project through newspapers or similar outlets will be expected upon project completion.
